***Smiggle and Smooch are doing well after coming into MAPR care at just a day old. They were the first of a recent influx of 10 tiny baby kittens that MAPR has saved from euthanasia or starvation since the beginning of October. All 10 kittens will be ready for adoption in about six weeks. Please call Maxine on 46715934 if you would like to reserve one of these beautiful kittens. Christmas is not far away.***

LIZZIE IS A BEAUTIFUL, PURE BURMESE WITH STUNNING BLUE EYES. SHE IS ABOUT 9 YEARS OLD AND HAS A QUIET, LOVING NATURE. SHE HAS BEEN IN MAPR CARE FOR SOME MONTHS AND DESPERATELY NEEDS A FOREVER HOME. LIZZIE IS DE-SEXED, MICROCHIPPED, LITTER TRAINED AND GETS ON WELL WITH OTHER CATS. SHE WOULD MAKE A WONDERFUL COMPANION.

### THE 'TAIL' OF PERRY POSSUM

PERRY WAS BORN WITHOUT A TAIL AND HAS A "CLUB PAW", SO HE CAN NEVER BE RELEASED INTO THE WILD.

HE IS DOING EXTREMELY WELL IN CARE AND WILL REMAIN WITH MAPR FOR SEVERAL MONTHS BEFORE MOVING TO A PROTECTED WILDLIFE SANCUARY NEAR TOOWOOMBA.
