BUSTER

PET OF THE MONTH

Hi, I'm Buster.

I'm a Staffie X, about 2 years old.

The folks at MAPR say I'm a great dog, friendly and affectionate.

I'm loyal and loving and get on well with other dogs and I love kids.

If you would like to give me a forever home, please phone :

Maxine 46715934

Or MAPR 0448 363 957.

OBESITY IN PETS CHECKLIST

IS MY PET OVERWEIGHT?

- ◆ *They should have an observable waist- a tapering from the end of the rib cage to the back legs.*
- ◆ *When you gently palpate the ribs you should be able to feel them with only a thin layer of fat covering.*
- ◆ *An overweight or obese pet will often have fat deposits at the base of the tail, chest and/or neck.*

If you are concerned about your pet's weight, take them to see your vet.

I want a man who's loyal, faithful, patient, attentive, forgiving, unselfish, even-tempered & a good listener.
